I Love the Mountains

Learner Goals

I can pretend to camp with my family.

LYRICS

I love the mountains. I love the rolling hills.

I love the flowers. I love the daffodils.

I love the campfire when all the lights are low.

Boom-dee-ah-dah, boom-dee-ah-dah,

Boom-dee-ah-dah, boom-dee-ah-dah, BOOM!

ACTIVITY

Go “camping” in your living room! Build a tent out of blankets and chairs. Make a pretend “campfire” by ripping up red and orange construction paper and placing the pieces in a plastic bowl on the floor. Include a flashlight in your tent to share. Make s’mores in the microwave to share!

What other songs can you sing together around your campfire as you snuggle? Older siblings can join you to sing this song as a round. They can start singing after you and your younger children finish: “I love the mountains, I love the rolling hills”

Our music videos provide an opportunity for YOU to learn a new song so that you can sing it face-to-face with your child. Your child likes your voice best, so share your voice as you enjoy this song together.

Character Song Card

I Love the Mountains

Our character song cards are a fun and beneficial way to bring music and connection into your family's routine. They empower your child to choose songs for you to sing together, making music a collaborative and joyful experience.

I Love the Mountains

Making Your Cards Last:

To get started, simply print the cards, trim them, and cover them with packing tape to make them durable for little hands. Storing them in a small bag makes it easy to bring your "Bag of Songs" along in the car, your purse, or a diaper bag.

How They Benefit Your Child:

Boosts Early Literacy:

As your child chooses a card, they begin to connect a picture with a specific song. This is a foundational step in understanding that pictures have meaning, which is a crucial early literacy skill.

Fosters Predictability & Security:

This simple, shared routine of choosing and singing songs offers your child the predictability, structure, and connection they crave. These experiences help to soothe and regulate their feelings, making them feel safe and understood.

Provides a Great Diversion:

Your "Bag of Songs" is a perfect, on-the-go tool to help with tricky moments like car rides or waiting at the doctor's office.
