LYRICS

Let everyone **clap hands** like me (**clap clap**).

Let everyone **clap hands** like me (**clap clap**).

Come on and join into the game.

You'll find that it's always the same (**clap clap**).

Let everyone **stomp feet** like me (**stomp stomp**).

Let everyone **stomp feet** like me (**stomp stomp**).

Come on and join into the game.

You'll find that it's always the same (**stomp stomp**).

ACTIVITY

Make up new motor motions to add more verses and fun. Let your child think up what your next cool move will be. You could replace **clap hands** or **stomp feet** with dance, kick feet, wave arms, blow kiss, or bend low. What else can you try? *Come on and join into the game!*

Our music videos provide an opportunity for YOU to learn a new song so that you can sing it face-to-face with your child. Your child likes your voice best, so share your voice as you enjoy this song together.

Character Song Card

Join Into the Game

Our character song cards are a fun and beneficial way to bring music and connection into your family's routine. They empower your child to choose songs for you to sing together, making music a collaborative and joyful experience.

Join Into the Game

Making Your Cards Last:

To get started, simply print the cards, trim them, and cover them with packing tape to make them durable for little hands. Storing them in a small bag makes it easy to bring your "Bag of Songs" along in the car, your purse, or a diaper bag.

How They Benefit Your Child:

Boosts Early Literacy:

As your child chooses a card, they begin to connect a picture with a specific song. This is a foundational step in understanding that pictures have meaning, which is a crucial early literacy skill.

Fosters Predictability & Security:

This simple, shared routine of choosing and singing songs offers your child the predictability, structure, and connection they crave. These experiences help to soothe and regulate their feelings, making them feel safe and understood.

Provides a Great Diversion:

Your "Bag of Songs" is a perfect, on-the-go tool to help with tricky moments like car rides or waiting at the doctor's office.
