Lady, Lady

Learner Goals

I can enjoy a calming song with my caring adult.

LYRICS

Lady, Lady, buy a broom for my baby.

Lady, Lady, buy a broom for my baby.

Sweep it low, sweep it high.

Sweep the cobwebs out of the sky.

Lady, Lady, buy a broom for my baby.

ACTIVITY

The “Lady, Lady” lullaby is a wonderful addition to your bedtime routine. Hold your child close as you rock side to side and sing softly. They will feel you sing as they listen to the voice of the “singer” they love the most!

Extend your “Lady” song singing to other times in the day by offering a scarf or small broom to your child. Show them how to “sweep it low and high” as you sing by reaching up and sweeping the air or bending low to sweep the ground.

Point out things in your child’s world that are “high” (like the ceiling or a lamp) and “low (like a rug or napping doggie).

Our music videos provide an opportunity for YOU to learn a new song so that you can sing it face-to-face with your child. Your child likes your voice best, so share your voice as you enjoy this song together.

Character Song Card

Lady, Lady

Our character song cards are a fun and beneficial way to bring music and connection into your family's routine. They empower your child to choose songs for you to sing together, making music a collaborative and joyful experience.

Lady, Lady

Making Your Cards Last:

To get started, simply print the cards, trim them, and cover them with packing tape to make them durable for little hands. Storing them in a small bag makes it easy to bring your "Bag of Songs" along in the car, your purse, or a diaper bag.

How They Benefit Your Child:

Boosts Early Literacy:

As your child chooses a card, they begin to connect a picture with a specific song. This is a foundational step in understanding that pictures have meaning, which is a crucial early literacy skill.

Fosters Predictability & Security:

This simple, shared routine of choosing and singing songs offers your child the predictability, structure, and connection they crave. These experiences help to soothe and regulate their feelings, making them feel safe and understood.

Provides a Great Diversion:

Your "Bag of Songs" is a perfect, on-the-go tool to help with tricky moments like car rides or waiting at the doctor's office.
