# Ram Sam Sam

## Learner Goals

I can perform a series of motor motions with my caring adult.

## LYRICS

A ram sam sam, a ram sam sam,  
Gully gully gully gully gully ram sam sam.  
A-raffi, a-raffi,  
Gully gully gully gully gully ram sam sam.

## ACTIVITY

This fun motor song has a simple set of motor motions to enjoy with your child. Remembering and performing the motions helps your child practice pattern recognition and recall. These are both great thinking and pre-reading skills!

Watch the video for a wonderful model of the motions. Once you and your child have mastered the motions, have fun singing and moving very slow . . . and very fast!

Another fun variation is to sing the entire song using a syllable such as “doo” or “tee.” Do the motions exactly as you did them for the *Ram Sam Sam* song. Can you remember the sequence of motor motions without the song lyrics?

Our music videos provide an opportunity for YOU to learn a new song so that you can sing it face-to-face with your child. Your child likes your voice best, so share your voice as you enjoy this song together.

### Making Your Cards Last:

To get started, simply print the cards, trim them, and cover them with packing tape to make them durable for little hands. Storing them in a small bag makes it easy to bring your "Bag of Songs" along in the car, your purse, or a diaper bag.

### How They Benefit Your Child:

#### **Boosts Early Literacy:**

As your child chooses a card, they begin to connect a picture with a specific song. This is a foundational step in understanding that pictures have meaning, which is a crucial early literacy skill.

#### **Fosters Predictability & Security:**

This simple, shared routine of choosing and singing songs offers your child the predictability, structure, and connection they crave. These experiences help to soothe and regulate their feelings, making them feel safe and understood.

#### **Provides a Great Diversion:**

Your "Bag of Songs" is a perfect, on-the-go tool to help with tricky moments like car rides or waiting at the doctor's office.
