Good Morning to You

Learner Goals

I can anticipate a musical transition to start my day.

LYRICS

Good morning to you, good morning to you.

We're all in our places with sunshiny faces.

Oh, this is the way to start a new day!

Good morning to you, good morning to you.

Whatever the weather, we'll make it together,

In work and in play, a beautiful day!

ACTIVITY

Transitions can be tricky for young children, especially if they require separation from a caring adult. Start your morning off right with a sweet song and a snuggle before jumping into your morning tasks. Sing our “good morning” song quietly as you enter your child’s room. They may love being held as you finish the second verse. Talk about what they might look forward to for their day, or what they want to wear for school or play. This is another example of a song your child will sing to their children when they grow up!

Our music videos provide an opportunity for YOU to learn a new song so that you can sing it face-to-face with your child. Your child likes your voice best, so share your voice as you enjoy this song together.

Character Song Card

Good Morning to You

Our character song cards are a fun and beneficial way to bring music and connection into your family's routine. They empower your child to choose songs for you to sing together, making music a collaborative and joyful experience.

Good Morning to You

Making Your Cards Last:

To get started, simply print the cards, trim them, and cover them with packing tape to make them durable for little hands. Storing them in a small bag makes it easy to bring your "Bag of Songs" along in the car, your purse, or a diaper bag.

How They Benefit Your Child:

Boosts Early Literacy:

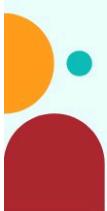

As your child chooses a card, they begin to connect a picture with a specific song. This is a foundational step in understanding that pictures have meaning, which is a crucial early literacy skill.

Fosters Predictability & Security:

This simple, shared routine of choosing and singing songs offers your child the predictability, structure, and connection they crave. These experiences help to soothe and regulate their feelings, making them feel safe and understood.

Provides a Great Diversion:

Your "Bag of Songs" is a perfect, on-the-go tool to help with tricky moments like car rides or waiting at the doctor's office.
