ACTIVITY

The fun of this simple song is mastering the letters that spell the name of the farmer's dog: Bingo! This musical game allows children to learn how to clap one time for every letter. This becomes a math as well as a literacy skill when children assign one clap to every letter. The math skill is called one-to-one correspondence.

Older children will be able to eliminate the letters one by one as they continue with the clapping pattern. You can also use other actions such as stomping, patting legs, or jumping.

Our music videos provide an opportunity for YOU to learn a new song so that you can sing it face-to-face with your child. Your child likes your voice best, so share your voice as you enjoy this song together.

How They Benefit Your Child:

Boosts Early Literacy:

As your child chooses a card, they begin to connect a picture with a specific song. This is a foundational step in understanding that pictures have meaning, which is a crucial early literacy skill.
